

***We Get it Right. You Get it Fast.***

**The most trusted source for public records in  
Arizona & Nevada**

### **Our Story**

Since 1989, AccuSearch has been supporting CRAs and Nationwide Providers with quality wholesale public record research in all Counties of Arizona.

In 2011, AccuSearch expanded its operations into Nevada to bring the same quality services you have come to expect from us.

With various office locations throughout each state, AccuSearch provides detailed, on-site research while maintaining competitive pricing in the industry.

### **Our Team**

AccuSearch is a family owned company that values our employees, supports work-life balance, and retains our tenured investigators, in order to provide a knowledgeable and experienced team to deliver the most accurate services.

Our licensed and professional researchers makes AccuSearch the company we are today!
