Joynd

Joynd (a merger of HRNX and CloudMills) provides turn-key ATS integrations for background screening firms, helping you increase customer retention and say "Yes" to more sales opportunities.

"Do you integrate?"

Joynd is integrated with 20+ ATS platforms, including:

ADP, Cadient, CareerBuilder, ClearCompany, Cornerstone OnDemand, eRecruit, Greenhouse, IBM Kenexa BrassRing, iCIMS, JazzHR, Jobvite, Lever, Lumesse, MyStaffingPro, Oracle, Peoplesoft, Salesforce.com, SAP/SuccessFactors, SilkRoad, SmartRecruiters, TalentReef, Taleo, UltiPro, Workday

Say "Yes" with Joynd.

We work as a trusted extension of your team, providing personalized, fully-managed integration services to your customers. We deliver integrations quickly and cost effectively, bringing joy to budgets everywhere.

Joynd hosts repeatable, configurable integrations for 100+ background screening companies, with standard integrations to leading platforms: Accio Data, Backchecked, ClearStar, Digital Delve, Epic Concepts, FRS and TazWorks.

Whatever works for your clients, we work to connect it.
