

# WHOLESALE Verifications

You trust Wholesale Screening with your criminal records research.  
Now you can also trust us with your verifications.

If you struggle to deliver quality and timely verifications and achieve scalability during periods of rapid growth or seasonal fluctuations, or if you're simply frustrated with the increasing cost of verifications, you've found a new partner.

We apply the same proven process-driven approach, commitment to quality, and customer service you have come to expect from our criminal records research to verifications.

## Why Wholesale?

- Proven management process
- Integrated with the leading third party platforms
- Integrated with third party information providers
- U.S.-based team operating from our Virginia headquarters

*"Our partnership with Wholesale has been evidenced by top-flight customer service coupled with reasonable fees. Now that Wholesale has entered the verifications services space as well, we have achieved additional efficiencies across all of our verifications services offerings."*
